

MADE IN USA GROCERY LIST

The list is continuously growing. If you know of a Made in USA product not listed, email us at info@TheMadeinAmericaMovement.com

List is based on products with a "US Made" statement on the package. Companies can make products in more than one country and can outsource at any given time. Please continue to check the labels.

Check out our website for other Made in USA lists and Made in USA manufacturers to help you on your quest to purchase American made products. www.themadeinamericamovement.com

WARNING:

The Following Companies Have Refused to Identify Where Their Products Are Made On The Package. We do **NOT** recommend their products as they do not identify where they are made and/or where they ingredients were obtained.

Frito Lay, Inc. Folgers Kraft Global Hershey Nabisco

Target products that are made in the USA have a statement on its label. Otherwise they are not. This is per corporate headquarters.

** Koch Industries products that ARE made in the USA are also listed. However, they are marked next to the product (in parentheses) for those who prefer to avoid them.
